Dr. Li An
Geography Department

Dear Dr. An:

We've received notification from the SDSU Research Foundation that you and Dr. Piotr Jankowski have been awarded a grant, Conference: Agent-Based Modeling 2017: Agent-Based Models in Social, Human-Environment, and Life Sciences, NSF Division of Social Behavioral and Economic Research.

I congratulate you on this award and would like to thank you for your ongoing service to your department, the college, and San Diego State University.

Sincerely,

Norma Bouchard
Dean
